

63-#105

Honorable Robert C. Byrd  
United States Senate  
Washington 25, D. C.

17 MAY 1963

Dear Senator Byrd:

Following our letter of 25 January concerning [redacted] appropriate Agency officials reviewed his resume and expressed interest in having further details of his qualifications. Because [redacted] had indicated the possibility of his coming to Washington, we wrote to suggest that he arrange to visit our Personnel Office here. We also asked that he let us know if he could not come so that we could then make alternative arrangements for interviews.

[redacted] telephoned in response to our letter and advised that he would get in touch with us in April. However, we have not heard further from him and have concluded that he is not interested in applying for a position with us at this time.

We appreciated your referral of [redacted] and shall give him every consideration if he should apply at a later date.

Sincerely,

John S. Warner  
Legislative Counsel
